“ To start a movement, you need a strategy that inspires, empowers and enables in equal measure. ”

Shree Vijay Rupani
Hon. Chief Minister, Gujarat State

Industrial exhibitions play a vital role of a bridge between the Industries, their buyers and the other stake holders. Similarly, the industrial exhibition titled “Gujtech Expo 2018” aims at bringing together Business Leaders, Corporate, Manufacturers, Entrepreneurs, and Buyers & Sellers with a focus to provide platform to exhibitors of various industrial segments from across the world to showcase their products and services.

This exhibition will certainly encourage the innovative development of Green Technology in the industrial sector and foster the further modernization of domestic industry, enabling to release such products which confirm to the strictest international standards. FIA is doing a great job in the benefit of all the industrial associations.

It's my pleasure to know that Federation of Industrial Association and PAL Events are jointly organizing “Gujtech Expo 2018”, at Ahmedabad in October 2018.

I wish all the participants, guests and organizers a grand success and hope they achieve their goals.

Shree Prabodh Patel
President - FIA

I invite you to be a part of “Gujtech Expo 2018”, in Ahmedabad from 19 to 21 October 2018.

I am sure this will be an excellent exposition covering various industrial segments and will provide an effective platform to showcase different products and services offered in this area, which are of international standards and cost effective. This exhibition will also provide a unique opportunity for interaction with national level manufacturers and local manufacturers, which shall lead into benefit from the exchange of technology and experiences.

I appreciate the idea of incorporating and promoting Green Technology and PM's other campaigns in the expo and feel it as the need of an hour. I wish “Gujtech Expo 2018”, a great success and recommend you to be a part of this Exhibition.

“ visionary approach towards inclusive and sustainable development ”

શુભેચ્છા સંદેશ

‘ગુજટેક-૨૦૧૮’ આ આયોજનના સમાચાર એ અતિ આનંદની વાત તો છે જ સાથે સાથે રાજ્યના ઔદ્યોગિક વિકાસને વેગ આપવામાં એક સીમાચિહ્નરૂપ પગલું સાબિત થશે.

વહાલા ઉદ્યોગકાર મિત્રો, આપણે જાણીએ છીએ કે, દેશનું ઔદ્યોગિક વાતાવરણ અત્યારે ખૂબ જ ઝડપથી બદલાઈ રહ્યું છે. આર્થિક, સામાજિક, પર્યાવરણીય, રાજકીય અને એવી તમામ સઘળી બાબતોએ ખૂબ જ અસરકારક પગલાં ભરાય એ માટે આપણી કેન્દ્ર અને રાજ્ય સરકાર કટિબદ્ધ છે. માન. વડાપ્રધાન શ્રી નરેન્દ્રભાઈ મોદીના વડપણ હેઠળની કેન્દ્ર સરકારના વિમુદ્રીકરણ, વસ્તુ અને સેવા વેરો, બેન્કોનું પુનઃમુદ્રીકરણ જેવા અનેક જરૂરી ઐતિહાસિક સુધારાઓએ વિશ્વને ભારત તરફ મીટ માંડવા મજબૂર કર્યા છે. વિશ્વના વિકસિત દેશો ભારત સાથે વેપાર અને ઉદ્યોગ ક્ષેત્રે ભાગીદારી કરવા આતુર બન્યા છે તેવા સંજોગોમાં આપણે ગુજરાતમાં પણ આ તકનો લાભ ઉઠાવવો જોઈએ.

ભારત પુષ્કળ માનવબળ, મબલખ કુદરતી સંસાધનો, રાજકીય ઈચ્છાશક્તિ અને ઉદ્યોગોના વિકાસની ઉત્તમ નીતિઓના નિર્માણ જેવી ઉદ્યોગોને અનુકૂળ અવસરોથી સજ્જ છે ત્યારે પ્રતિસ્પર્ધાની આ દોડમાં વિશ્વના બજારમાં ટકી શકે તેવા ઉત્પાદન, લઘુત્તમ પડતર કિંમત, રોજગારીનું સર્જન, આધુનિક તકનીકની ઉપયોગ, ઉત્તમ પ્રકારની મશીનરીનું નિર્માણ, કૌશલ્ય સર્જન, કુદરતી સંસાધનોનો સંપોષણીય ઉપયોગ અને પર્યાવરણને લઘુત્તમ નુકસાન આ ઉદ્દેશ્યો સાથે આગળ વધીશું તો ચોક્કસપણે ફરી એક વાર વિશ્વના માર્ગદર્શક અને પથદર્શક તરીકે આપણા વેદોમાં ઉલ્લેખિત કલ્પના મુજબના રાષ્ટ્રના સર્જનને પરિપૂર્ણ કરી શકીશું.

માન. વિજયભાઈ રૂપાણીની આગેવાની હેઠળની રાજ્ય સરકારે પણ અનેક મહત્વના નિર્ણય લઈ ઉદ્યોગોના વિકાસ અને પોષણ માટે વિવિધ યોજનાઓ અમલમાં મૂકી સકારાત્મક વાતાવરણનું સર્જન કર્યું છે.

રૂંતમાં ગુજટેક ૨૦૧૬ના આયોજન બાદના ફરી વાર નવા પ્રકલ્પ એવા ‘ગુજટેક ૨૦૧૮’ પણ ગુજરાતના ઔદ્યોગિક વિકાસ માટે મનોવાંછિત પરિણામો સાથે સફળતાના આરે પહોંચે તેવી આપ સૌ મિત્રોને અંતરપૂર્વક હાર્દિક શુભકામનાઓ પાઠવું છું તથા સૌ મિત્રો ઉદ્યોગ ક્ષેત્રે વધુ ઉન્નત બની રાજ્ય અને રાષ્ટ્રના વિકાસમાં સહભાગી બનો તેવી અભિલાષા દાખવું છું.

Shree Jagdish Ramani
Expo Chairman - Gujtech 2018

Federation of Industries and associations is going to organize “Gujtech Expo 2018” from 19 to 21 October 2018.

This is the 3rd expo and I am sure this will be an excellent exposition covering various industrial segments and will provide an effective platform to showcase different products and services offered by the industries and trade members of all areas. This expo provide's an unique opportunity for interaction with national and international level manufacturers and local manufacturers, which shall lead into benefit from the exchange of technology and experience.

Coinciding with “Gujtech Expo 2018” various seminars are being arranged to enhance knowledge and skills of the Industries members and their employees. I request you to be a part of “Gujtech Expo 2018” and assure you to try our best to make it a grand success.

About FIA: 204 Industrial Associations under one roof

When Gujarat was struggling for a foothold in the industrial arena of India, a strong and urgent need for uniform, all-round peaceful, stable and sustained development of industries of Gujarat was foreseen as utmost priority by the dedicated and committed industrialists of Gujarat during the year of eighties. Having whole hearted commitment to economic, technological and productive advancement of industries and the overall progress of people of Gujarat at their hearts, they united themselves to take-up the challenge.

To voice their feelings for this noble cause, like-minded and visionary industrialists gathered to work out strategic action plan and to give a shape to their vision and decided to bring all of them together under one umbrella. In order to achieve this goal they formed FEDERATION OF INDUSTRIES & ASSOCIATIONS (GUJARAT). With a view to give a legal entity they got it registered under the Registration of Public Trust Act and the Registration of Societies Act.

Federation of Industries & Associations is enjoying the privilege of being the Apex Representative Body of all GIDC Industries Associations and other Associated Industry Members. Today it is enjoying the strength of more than Indirect 1, 25000 members across Gujarat state. The Federation, right from its inception is well respected and recognized as a true representative of Industries in Gujarat. It is prominently known and addressed as FIA among Government Authorities and Industrial Community.

About Gujtech Expo:

One Supplies, One makes and one uses. The whole circle of this economy of industry depends on the legendary and fundamental theory of Economics of DEMAND & SUPPLY. This theory altogether explains about the gap which has to be fulfilled. This Gap eventually creates lots of opportunities for any industry to Grow in manufacturing capacity or product line. "Gujtech Expo 2018" is a biennial event which occurs in vacant year of Vibrant Gujarat Global Trade Show & Summit.

Gujtech 2018

There are so many factors that affect the growth of industries like Government Policies, Tax structure, Departmental Co-ordinated matters and so on. Looking into the same Federation of Industries and Association has always played a crucial and active role in advocating Industry related problems, demands etc. But this is not the only responsibility that FIA understands, It also believes in joining hands and expanding the wings of their industry owners with multiple fold activity. FIA year by year has taken the responsibility of creating a platform for their members to come at a common place of Trade and network their reach in progressive manifolds. On this note FIA announces the activation of its legacy "Gujtech Expo 2018" for its members to grow and prosper.

Gujtech Aims to:

ENLARGE :

Upgrading the product line, for extensive reach will also be a possible avenue. Unfolding the access to B2B competition, this platform helps to enlarge your products and increase the details for best customer experience.

EXPAND :

Growth of industries will be possible if investment and manufacturing is encouraged. This also helps us to enable and take MAKE IN INDIA forward as part of our country's vision seen by honorable Prime Minister of India

EXPEDITE :

Matters of policies are difficult and different than as seen. Government today still makes the best possible move to be industrial growth friendly. FIA GUJTECH shall bridge the gap between the industry owners and government bodies.
